PART 1925—TAXES

§ 1924.276 Action against contractor.

Subpart A—Real Estate Tax Servicing

If FmHA or its successor agency under Public Law 103–354 pays for correction of construction defects which are the responsibility of the contractor, debarment proceedings will be initiated against the contractor in accordance with subpart M of part 1940 of this chapter (available in any FmHA or its successor agency under Public Law 103–354 office), even if the contractor has gone out of business, declared bankruptcy, cannot be located, etc. The debarment will be pursued in both the contractor's company name and the principal parties as individuals, and any successor entities, if known. If the manufacturer of the defective product is determined to be solely responsible, no action will be taken against the contractor. In such a case, debarment will be initiated against the manufacturer. An assignment of the borrower's claim against the contractor or other party will be obtained if it appears to the approval officials, with any necessary advice from the Office of the General Counsel, that recovery is reasonably possible.

Subpart A—Real Estate Tax Servicing

§ 1925.1 General.

This Instruction applies to borrowers with a Farm Ownership (FO), Operating Loan (OL), Soil and Water (SW), Recreation Loan (RL), Emergency (EM), Economic Opportunity (EO), Rural Rental Housing (RRH), Rural Cooperative Housing (RCH), Labor Housing (LH), Softwood Timber (ST), and Non-Program (NP) loans secured by real estate. It also applies to section 502 and section 504 Rural Housing borrowers (Single Family Housing (SFH)) who also have a Farmer Program loan. It does not apply to borrowers who have a SFH loan only; those will be serviced under § 1965.105 of subpart C of part 1965 of this chapter. Borrowers are responsible for paying taxes on the real estate security to the proper taxing authorities before taxes become delinquent. This obligation is set forth in the security instrument securing the loan.

§ 1925.2 Definition of tax.

For the purpose of this instruction, the word "tax" means all taxes, assessments, levies, irrigation and water charges or other similar obligations which are or will, on nonpayment, become a lien upon the real estate prior to the mortgage securing the Farmers Home Administration or its successor agency under Public Law 103–354 (FmHA or its successor agency under Public Law 103–354) loan.

§ 1925.3 Servicing taxes.

mortgaged real estate is listed properly for tax purposes.

(b) The County Supervisor will be responsible for taking all actions in connection with taxes as may be necessary to protect the Government's security interests. Any unusual situations that may arise with respect to tax servicing should be referred to the State Office for consideration.

(c) The County Supervisor will encourage each borrower to pay taxes promptly in order to avoid any penalties. Normally, this can be accomplished through routine servicing of loans by emphasizing the advantages of setting aside sufficient income to meet tax obligations when they become due. Taxes will be adequately budgeted for those borrowers with whom Form FmHA or its successor agency under Public Law 103-354 431-2, "Farm and Home Plan," is developed. Each borrower will be encouraged to notify the County Supervisor when he has paid his taxes. After the delinquent date, it will be necessary for the County Supervisor to determine the borrowers whose taxes are delinquent. Forms FmHA or its successor agency under Public Law 103-354 1905-1, "Management System Card-Individual," FmHA or its successor agency under Public Law 103-354 1905-5, "Management System Card-Individual (Rural Housing Only)," and FmHA or its successor agency under Public Law 103-354 1905-10, "Management System Card-Association," will be used in posting servicing action on delinquent taxes.

§ 1925.4 Servicing delinquent taxes.

(a) The County Supervisor will contact each borrower with a delinquent tax and make every practical effort to have him pay the tax with his own funds. He will use the Management System Card for follow-up of delinquent taxes. If the delinquent tax is not paid and the borrower comes to the office with proceeds for application on the FmHA or its successor agency under Public Law 103-354 account secured by the real estate, the County Office personnel will endeavor to get the borrower to use the proceeds to pay the delinquent tax. If the amount of the delinquent tax is less than the amount of the proposed payment, the

difference will be applied on the FmHA or its successor agency under Public Law 103-354 account in accordance with the policy outlined in FmHA or its successor agency under Public Law 103-354 Instructions 1951-A and 1951-G.

(b) Prior (usually about 90 days) to the time it is legally possible for action to be taken that will cause the borrower to lose title or right of possessions of the security property or the use of essential water, the County Supervisor will contact the borrower and definitely determine if he will pay the delinquent tax immediately. If the borrower is unable or unwilling to pay the delinquent tax with his own funds after every appropriate effort has been made to have him do so, the County Supervisor will refer to FmHA or its successor agency under Public Law 103-354 Instruction 2024-A and utilize the Type 60 Purchase Order System to pay the amount of the delinquent taxes plus the amount of any accrued penalty to bring taxes current.

(1) In an exceptional case where reasons for delinquent taxes have been removed and planned income during the next year covers payment of current obligations plus delinquent taxes not vouchered, only the delinquent taxes will be paid that could cause the borrower to lose title or right of possession of security property.

(2) If the Government is holding a mortgage other than a first mortgage on the property, do not initiate payment request until the County Supervisor has determined that (i) the prior lien holder will not pay the delinquent tax, (ii) the Government's security will be jeopardized if the delinquent tax is not paid, and (iii) the value of the security is sufficient to justify the advance.
